NO PROBLEM KIT

WHY SHOULD YOU BUY A NO PROBLEM KIT SPARE WHEEL?

ALL IN ONE

You find everything you need inside: bag, space-saving spare wheel, jack, universal key, jack bag, elastic cord and gloves.

LOTS OF CARS HAVE NO SPARE WHEEL AT ALL

Spare wheel is a non-standard equipment and it is often replaced by anti puncture liquids. Most people do not know that and realize it only when a tyre puncture occurs.

LARGE STOCK

MAK holds a large stock, compatible with most of the vehicles currently on the market.

IT'S A NON-SEASONAL PRODUCT

You can sell spare wheels all year long: for instance, just before Summer/Winter holidays or during the car check-up.
